RE: Election Observer Panel

The General Election will be conducted on November 4, 2008.

In compliance with Section 8.2 of the Voting System Use Procedures as approved by the Secretary of State in July 2006, the Nevada County Clerk-Recorder invites representatives from the qualified political parties, League of Women Voters, Nevada County Grand Jury, and other groups or individuals who have expressed an interest in observing Election Day activities to comprise the Election Observer Panel for the General Election.

Representatives on the panel will be given the opportunity to observe that correct procedures are followed in the receiving, processing and tallying of all votes cast in the General Election as well as observing Election Day activities at the polls. In addition, any member of the panel is invited to be present during vote by mail ballot processing, counting and the activities associated with the certification of the election.

Should either you or a representative from your organization wish to participate in any or all of these activities, please contact Sandy Sjoberg, Senior Elections Assistant at 530-265-7115 no later than October 20th so we can provide an identification badge for each member. If your observer is interested in observing a particular process other than election night processing, please have them contact Sandy or Susan German, Assistant Clerk Recorder for the specific date. If you have any questions, please contact our office at 530-265-7115.
