Attn: Ryan Macias

Mr. Macias,

In San Luis Obispo County, there were no discrepancies between the machine count and the manual tally when conducting the 1% Post Election Manual Tally for the June 3, 2008 Statewide Direct Primary Election. In accordance with EC15360 and the Secretary of State's Post-Election Manual Tally Requirements, we posted our five-day public notice on June 6th and began on June 11th with the random selection of our precincts and completed our final manual tally on June 13th.

Pursuant to the conditional approval of all voting systems, please find attached the incident log of all reported issues experienced with the voting system and actions taken to resolve them.

If you have any questions, feel free to contact us at 805-781-5080.

Thank you,

Tommy Gong
