Re: Administrative approval of the WinEDS 4.0 System for use in the City & County of San Francisco

Dear Mr. Finley:

Sequoia Voting Systems requests an extension to the current administrative approval of the WinEDS 4.0 system, specifically WinEDS 4.0.116B through calendar year 2010. An extension of the said request would allow the City & County of San Francisco to continue to utilize this system to meet its jurisdictional requirements for the upcoming November 3, 2009 Municipal Election as well as the 2010 Consolidated Gubernatorial Primary Election and Consolidated Gubernatorial General Election, respectively.

Please contact me directly should you have any questions and/or need any additional information regarding this request. Sequoia Voting Systems appreciates your time and attention to this matter.

Sincerely,
