4. Vendor and Voting Systems Used by County – **Premier Elections Solutions Accuvote OS/Tsx**

II. Purpose

The purpose of an Election Observer Panel is to:

1. Provide the public with the opportunity to observe and make suggestions on ways to improve the election process.
2. Help ensure the integrity of the election process.
3. Remove some of the mystery associated with the election process in an effort to build voter confidence and encourage more people to take part.

III. Invite

Between E-60 and E-30, prepare letters of invitation (see sample attached) to the following:

1. County Grand Jury – **We always invite the Grand Jury to serve as our Logic and Accuracy Board and observe the vote-by-mail process. If you need a copy of the letter we send, please let me know.**
2. Political Party Central Committee Members – **The Sierra County Democratic Central Committee has just recently become active and we plan on inviting them to participate as part of the Election Observer Panel for the upcoming election.**
3. Advocacy Groups – **No Advocacy Groups.**
4. League of Women Voters – **None that I know of in Sierra County**
5. Media – **Our local newspaper is always present on election night.**

Other groups or individuals expressing an interest in observing Election Day activities may also be included in the observer panel.

Note: You might want to consider offering to meet with groups to provide an opportunity for the group members to ask questions about the process.

IV. Appointment Letters (for introduction to precinct workers) N/A

After the groups have provided the names of interested panelists, prepare letters of introduction (see sample attached) for the panelist to use when visiting polling places on Election Day. Materials to be prepared for each panelist will include a listing of all polling places within the county for that specific election as well as the central counting site location and hours of operation.

We conduct “All Mail Precinct” elections. No polling places.

V. Mechanism for Feedback

Consider providing observers with a checklist and/or questionnaires to be completed and returned to you.

Sierra County is so small that our observers are very few and they ask questions as we go along. They do not interfere with our processing of the ballots and lucky for us everyone is on a friendly basis.

Many times they comment on the process and how thorough we are and how dedicated we are to maintain the integrity of the voting process.

Our grand jury volunteers always seem to leave on election night with a new “positive” outlook on how elections are handled.
