Dear Mr. Milleville:

On Wednesday, April 16, 2025, the California Secretary of State Office of Voting Systems Technology Assessment received a request for administrative approval, pursuant to California Code of Regulations (CCR) section 20159, to apply modifications to the certified KNOWiNK Poll Pad 3.4.8 Electronic Poll Book System. CCR section 20159 provides that any change or modification to a certified electronic poll book system must be examined for conformance by the Secretary of State.

The KNOWiNK administrative approval request contained three (3) modifications. The modifications are as follows:

Type	Description
Update	Include iOS 18.3.2
Update	Apple iPad (11th Gen) A3354 (WiFi)
Update	Apple iPad (11th Gen) A3355 (Cellular)

Secretary of State staff performed regression testing on the modified KNOWiNK Poll Pad system from April 28-29, 2025. Zero discrepancies were identified during testing.

In addition, you submitted the following document from SLI Compliance, an Election Assistance Commission certified Voting System Testing Laboratory:

- De Minimis modification for 11th Generation iPads & iOS 18.3.2

Based on the application, testing conducted by the Secretary of State staff, and additional supporting documentation from SLI Compliance, this administrative approval is granted. All other conditions of the KNOWiNK Poll Pad 3.4.8 approval, dated January 31, 2024, remain in effect.

Sincerely,

*NaKesha Robinson*
