Dear Mr. Milleville:

On Wednesday, September 10, 2025, the California Secretary of State Office of Voting Systems Technology Assessment received a request for administrative approval, pursuant to California Code of Regulations (CCR) Title 2, Chapter 3.6, section 20159, to apply modifications to the certified KNOWiNK Poll Pad 3.4.8 electronic poll book system. CCR section 20159 provides that any change or modification to a certified electronic poll book system must be examined for conformance by the Secretary of State.

The KNOWiNK administrative approval request contained one modification. The modification is as follows:

Type	Description
Update	Include iOS 17.7.10

Secretary of State staff performed regression testing on the modified KNOWiNK Poll Pad system on October 7, 2025. Zero discrepancies were identified during testing.

In addition, you submitted the following documents from Pro V&V, an Election Assistance Commission certified Voting System Testing Laboratory:

- Certification Test Report for Examination of Electronic Poll Book (ePollBook) KNOWiNK, LLC – PollPad 3.4.8 (iOS 17.7.10) to State of California Requirements

Based on the application, testing conducted by Secretary of State staff, and additional supporting documentation from Pro V&V, this administrative approval is granted. All other conditions of the KNOWiNK Poll Pad 3.4.8 approval, dated January 31, 2024, remain in effect.

Sincerely,

Debra Ledsinger
