Dear Mr. Davis,

As discussed, this correspondence serves as notice of withdrawal of certification and conditional approval of Robis Elections, Inc., AskED ePollbook with On-Demand Ballot Printing, Version 3.4 (AskEd v3.4), effective February 26, 2021. The AskED v3.4 system was approved for use with the Bak USA Atlas 2018 laptop, which is no longer in production. The Secretary of State is withdrawing certification and conditional approval of the AskED v3.4 system as the system is not utilized by any California jurisdiction and the system contains end-of-life hardware components that Robis Elections, Inc., does not have in inventory and can no longer obtain.

Sincerely,

A handwritten signature in blue ink that reads "Susan Lapsley".

Susan Lapsley
Deputy Secretary of State, HAVA and Counsel
