Jeff Ellington
Runbeck Election Services
2404 W 14th Street STE 110
Tempe, AZ 85281-6920

Dear Mr. Ellington:

Your written request for approval of Runbeck Election Services' Simulo Remote Accessible Vote by Mail Ballot Duplication Software, which is comprised of the Simulo Version 1.9.3 software on a Dell 5480 laptop, has been received. Written confirmation from Dominion Voting Systems, acknowledging your ballots conform to all system specifications, has also been received.

Based on the provided application, supporting documents, and the satisfactory results of examination and review testing, Simulo Remote Accessible Vote by Mail Ballot Duplication Software, which is comprised of the Simulo Version 1.9.3 software on a Dell 5480 laptop, is approved for use in California for the following:

- The duplication of Democracy Lives' Secure Select version 1.2.1 cast vote records onto Dominion Voting Systems ImageCast ballots on Oki B432, C532, and C9650 printers.

If you have any questions or comments regarding this decision, please feel free to contact any member of the Office of Voting Systems Technology Assessment at (916) 695-1680.

Sincerely,
